GENERAL GOVERNMENT

A. LEGISLATIVE

FOR THE GENERAL ASSEMBLY

LEGISLATORS' SALARIES - HOUSE

Total Operating Expense	3,550,728	5,512,333
-------------------------	-----------	-----------

HOUSE EXPENSES

Total Operating Expense	7,188,733	7,799,322
-------------------------	-----------	-----------

LEGISLATORS' SALARIES - SENATE

Total Operating Expense	1,071,285	1,071,285
-------------------------	-----------	-----------

SENATE EXPENSES

Total Operating Expense	7,186,750	7,797,170
-------------------------	-----------	-----------

Included in the above appropriations for house and senate expenses are funds for a legislative business per diem allowance, meals and other usual and customary expenses associated with legislative affairs. Except as provided below, this allowance is to be paid to each member of the general assembly for every day, including Sundays, during which the general assembly is convened in regular or special session, commencing with the day the session is officially convened and concluding with the day the session is adjourned sine die. However, after five (5) consecutive days of recess, the legislative business per diem allowance is to be made on an individual voucher basis until the recess concludes.

Members of the general assembly are entitled, when authorized by the speaker of the house or the president pro tempore of the senate, to the legislative business per diem allowance for each and every day engaged in official business.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

In addition to the legislative business per diem allowance, each member of the general assembly shall receive the mileage allowance in an amount equal to the standard mileage

1 rates for personally owned transportation equipment established by the federal Internal
2 Revenue Service for each mile necessarily traveled from the member's usual place
3 of residence to the state capitol. However, if the member traveled by a means other
4 than by motor vehicle, and the member's usual place of residence is more than one
5 hundred (100) miles from the state capitol, the member is entitled to reimbursement
6 in an amount equal to the lowest air travel cost incurred in traveling from the usual
7 place of residence to the state capitol. During the period the general assembly is
8 convened in regular or special session, the mileage allowance shall be limited to
9 one (1) round trip each week per member.

10
11 Any member of the general assembly who is appointed, either by the governor, speaker
12 of the house, president or president pro tempore of the senate, house or senate minority
13 floor leader, or Indiana legislative council to serve on any research, study, or
14 survey committee or commission, or who attends any meetings authorized or convened
15 under the auspices of the Indiana legislative council, including pre-session conferences
16 and federal-state relations conferences, is entitled, when authorized by the legislative
17 council, to receive the legislative business per diem allowance for each day in actual
18 attendance and is also entitled to a mileage allowance, at the rate specified above,
19 for each mile necessarily traveled from the member's usual place of residence to
20 the state capitol, or other in-state site of the committee, commission, or conference.
21 The per diem allowance and the mileage allowance permitted under this paragraph shall
22 be paid from the legislative council appropriation for legislator and lay member
23 travel unless the member is attending an out-of-state meeting, as authorized by the
24 speaker of the house of representatives or the president pro tempore of the senate,
25 in which case the member is entitled to receive:
26 (1) the legislative business per diem allowance for each day the member is engaged
27 in approved out-of-state travel; and
28 (2) reimbursement for traveling expenses actually incurred in connection with the
29 member's duties, as provided in the state travel policies and procedures established
30 by the legislative council.

31
32 Notwithstanding the provisions of this or any other statute, the legislative council
33 may adopt, by resolution, travel policies and procedures that apply only to members
34 of the general assembly or to the staffs of the house of representatives, senate,
35 and legislative services agency, or both members and staffs. The legislative council
36 may apply these travel policies and procedures to lay members serving on research,
37 study, or survey committees or commissions that are under the jurisdiction of the
38 legislative council. Notwithstanding any other law, rule, or policy, the state travel
39 policies and procedures established by the Indiana department of administration and
40 approved by the budget agency do not apply to members of the general assembly, to
41 the staffs of the house of representatives, senate, or legislative services agency,
42 or to lay members serving on research, study, or survey committees or commissions
43 under the jurisdiction of the legislative council (if the legislative council applies
44 its travel policies and procedures to lay members under the authority of this SECTION),
45 except that, until the legislative council adopts travel policies and procedures,
46 the state travel policies and procedures established by the Indiana department of
47 administration and approved by the budget agency apply to members of the general
48 assembly, to the staffs of the house of representatives, senate, and legislative
49 services agency, and to lay members serving on research, study, or survey committees

or commissions under the jurisdiction of the legislative council. The executive director of the legislative services agency is responsible for the administration of travel policies and procedures adopted by the legislative council. The auditor of state shall approve and process claims for reimbursement of travel related expenses under this paragraph based upon the written affirmation of the speaker of the house of representatives, the president pro tempore of the senate, or the executive director of the legislative services agency that those claims comply with the travel policies and procedures adopted by the legislative council. If the funds appropriated for the house and senate expenses and legislative salaries are insufficient to pay all the necessary expenses incurred, including the cost of printing the journals of the house and senate, there is appropriated such further sums as may be necessary to pay such expenses.

The sums herein appropriated to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech State College, and the Indiana Higher Education Telecommunications System (IHETS) are in addition to all income of said institutions and IHETS, respectively, from all permanent fees and endowments and from all land grants, fees, earnings, and receipts, including gifts, grants, bequests, and devises, and receipts from any miscellaneous sales from whatever source derived.

All such income and all such fees, earnings, and receipts on hand June 30, 2003, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and IHETS and may be expended for any necessary expenses of the respective institutions and IHETS, including university hospitals, schools of medicine, nurses' training schools, schools of dentistry, and agricultural extension and experimental stations. However, such income, fees, earnings, and receipts may be used for land and structures only if approved by the governor and the budget agency.

The foregoing appropriations and allocations for fee replacement are for replacement of student fees deducted during the 2003-2005 biennium to cover bond or lease-purchase principal, interest, and other obligations of debt costs of facility construction and acquisition for those projects authorized by the general assembly. These fee replacement appropriations and allocations shall be allotted by the budget agency after receipt of verification of payment of such debt cost expense.

The foregoing appropriations to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Ivy Tech State College, and IHETS include the employers' share of Social Security payments for university and IHETS employees under the public employees' retirement fund, or institutions covered by the Indiana state teachers' retirement fund. The funds appropriated also include funding for the employers' share of payments to the public employees' retirement fund and to the Indiana state teachers' retirement fund at a rate to be established by the retirement funds for both fiscal years for each institution and for IHETS employees covered by these retirement plans.

The treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech State College shall, at the end of each three (3) month period, prepare and file with the auditor of state a financial statement that shall show in total

all revenues received from any source, together with a consolidated statement of disbursements for the same period. The budget director shall establish the requirements for the form and substance of the reports.

The reports of the treasurer also shall contain in such form and in such detail as the governor and the budget agency may specify, complete information concerning receipts from all sources, together with any contracts, agreements, or arrangements with any federal agency, private foundation, corporation, or other entity from which such receipts accrue.

All such treasurers' reports are matters of public record and shall include without limitation a record of the purposes of any and all gifts and trusts with the sole exception of the names of those donors who request to remain anonymous.

Notwithstanding IC 4-10-11, the auditor of state shall draw warrants to the treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech State College on the basis of vouchers stating the total amount claimed against each fund and/or account, but not to exceed the legally made appropriations.

Notwithstanding IC 4-12-1-14, for universities and colleges supported in whole or in part by state funds, grant applications and lists of applications need only be submitted upon request to the budget agency for review and approval or disapproval and, unless disapproved by the budget agency, federal grant funds may be requested and spent without approval by the budget agency. Each institution shall retain the applications for a reasonable period of time and submit a list of all grant applications, at least monthly, to the commission for higher education for informational purposes.

For all university special appropriations, an itemized list of intended expenditures, in such form as the governor and the budget agency may specify, shall be submitted to support the allotment request. All budget requests for university special appropriations shall be furnished in a like manner and as a part of the operating budgets of the state universities.

38 **SECTION 24. [EFFECTIVE JULY 1, 2003]**

39
40 The director of the division of procurement of the Indiana department of administration,
41 or any other person or agency authorized to make purchases of equipment, shall not
42 honor any requisition for the purchase of an automobile that is to be paid for from
43 any appropriation made by this act or any other act, unless the following facts are
44 shown to the satisfaction of the commissioner of the department of administration
45 or the commissioner's designee.

46 (1) In the case of an elected state officer, it shall be shown that the duties of
47 the office require driving about the state of Indiana in the performance of official
48 duty.

49 (2) In the case of department or commission heads, it shall be shown that the statutory

duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.

(3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment. In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

SECTION 25. [EFFECTIVE JULY 1, 2003]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

SECTION 26. [EFFECTIVE JULY 1, 2003]

The governor of the state of Indiana is solely authorized to accept on behalf of the state any and all federal funds available to the state of Indiana. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

SECTION 27. [EFFECTIVE JULY 1, 2003]

Federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).

SECTION 28. [EFFECTIVE JULY 1, 2003]

A contract or an agreement for personal services or other services may not be entered into by any agency or department of state government without the approval of the budget agency or the designee of the budget director. Each demand for payment submitted by the agency or department to the auditor of state by claim voucher under such contracts

or agreements shall be accompanied by a copy of the budget agency approval, or approval of any agency to whom the budget agency delegated signature authority, and no payment shall be made by the auditor of state without such approval. This SECTION does not apply to any contract entered into by an agency or department of state government that is the result of a public works project contract under IC 4-13.6.

SECTION 29. [EFFECTIVE JULY 1, 2003]

Except in those cases where a specific appropriation has been made to cover the payments for any of the following, the auditor of state shall transfer, from the personal services appropriations for each of the various agencies and departments, necessary payments for Social Security, public employees' retirement, health insurance, life insurance, and any other similar payments directed by the budget agency.

SECTION 30. [EFFECTIVE JULY 1, 2003]

Subject to SECTION 25 of this act as it relates to the budget committee, the budget agency with the approval of the governor may withhold allotments of any or all appropriations contained in this act for the 2003-2005 biennium, if it is considered necessary to do so in order to prevent a deficit financial situation.

(A) seven million five hundred thousand dollars (\$7,500,000); or

(B) the additional quarterly contribution needed so that the ratio of the unfunded liability of the Indiana state teachers' retirement fund compared to total active teacher payroll is as close as possible to but not greater than the ratio that existed on the preceding July 1.

After June 30, 2003, and before July 1, 2005, the amount deposited in a state fiscal year under this subdivision in the Indiana state teachers' retirement fund (IC 21-6.1-2) shall only be used by the board to reduce the employer contribution rate that school corporations would otherwise pay after June 30, 2003, and before July 1, 2005, to the Indiana state teachers' retirement fund (IC 21-6.1-2), as computed under IC 5-10.2-2 and certified under IC 21-6.1-7-12, for teachers covered by the 1996 account, including a proportionate share of administration expenses for the 1996 account. On or before June 15, 2005, and June 15 of each year **thereafter**, the board of trustees of the Indiana state teachers' retirement fund shall submit to the treasurer of state, each member of the pension management oversight commission, and the auditor of state its estimate of the quarterly amount needed to freeze the unfunded accrued liability of the pre-1996 account (as defined in IC 21-6.1-1-6.9) as a percent of payroll. The estimate shall be based on the most recent actuarial valuation of the fund. Notwithstanding any other law, including any appropriations law resulting from a budget bill (as defined in IC 4-12-1-2), **after June 30, 2005**, the money transferred under this subdivision shall be set aside in a special account to be used as a credit against the unfunded accrued liability of the pre-1996 account (as defined in IC 21-6.1-1-6.9) of the Indiana state teachers' retirement fund. The money transferred is in addition to the appropriation needed to pay benefits for the state fiscal year.

(2) Before the last business day of January, April, July, and October, the commission shall transfer:

(A) two million five hundred thousand dollars (\$2,500,000) of the surplus revenue to the treasurer of state for deposit in the "k" portion of the pension relief fund (IC 5-10.3-11); and

(B) five million dollars (\$5,000,000) of the surplus revenue to the treasurer of state for deposit in the "m" portion of the pension relief fund (IC 5-10.3-11).

(3) The surplus revenue remaining in the fund on the last day of January, April, July, and October after the transfers under subdivisions (1) and (2) shall be transferred by the commission to the treasurer of state for deposit on that day in the build Indiana fund.

(b) The commission may make transfers to the treasurer of state more frequently than required by subsection (a). However, the number of transfers does not affect the amount that is required to be transferred for the purposes listed in subsection (a)(1) and (a)(2). Any amount transferred during the month in excess of the amount required to be transferred for the purposes listed in subsection (a)(1) and (a)(2) shall be transferred to the build Indiana fund.

47 AMENDED BY HEA 1519-2003, SECTION 1, IS AMENDED TO READ AS FOLLOWS
48 [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) This subsection does not apply to tax revenue remitted by
49 an operating agent operating a riverboat in a historic hotel district. After funds are appropriated under
50 section 4 of this chapter, each month the treasurer of state shall distribute the tax revenue deposited

1 in the state gaming fund under this chapter to the following:

2 (1) The first thirty-three million dollars (\$33,000,000) of tax revenues collected under this
3 chapter shall be set aside for revenue sharing under subsection (e).

4 (2) Subject to subsection (c), twenty-five percent (25%) of the remaining tax revenue remitted
5 by each licensed owner shall be paid:

6 (A) to the city that is designated as the home dock of the riverboat from which the tax revenue
7 was collected, in the case of:

8 (i) a city described in IC 4-33-12-6(b)(1)(A); or

9 (ii) a city located in a county having a population of more than four hundred thousand
10 (400,000) but less than seven hundred thousand (700,000); or

11 (B) to the county that is designated as the home dock of the riverboat from which the tax
12 revenue was collected, in the case of a riverboat whose home dock is not in a city described
13 in clause (A).

14 (3) Subject to subsection (d), the remainder of the tax revenue remitted by each licensed owner
15 shall be paid to the property tax replacement fund. **In each state fiscal year beginning after**
16 **June 30, 2003, the treasurer of state shall make the transfer required by this subdivision**
17 **not later than the last business day of the month in which the tax revenue is remitted to the**
18 **state for deposit in the state gaming fund. However, if tax revenue is received by the state**
19 **on the last business day in a month, the treasurer of state may transfer the tax revenue to**
20 **the property tax replacement fund in the immediately following month.**

21 (b) This subsection applies only to tax revenue remitted by an operating agent operating a riverboat
22 in a historic hotel district. After funds are appropriated under section 4 of this chapter, each month the
23 treasurer of state shall distribute the tax revenue deposited in the state gaming fund under this chapter
24 as follows:

25 (1) Thirty-seven and one half percent (37.5%) shall be paid to the property tax replacement fund
26 established under IC 6-1.1-21.

27 (2) Thirty-seven and one-half percent (37.5%) shall be paid to the West Baden Springs historic
28 hotel preservation and maintenance fund established by IC 36-7-11.5-11(b). However, at any
29 time the balance in that fund exceeds twenty million dollars (\$20,000,000), the amount described
30 in this subdivision shall be paid to the property tax replacement fund established under
31 IC 6-1.1-21.

32 (3) Five percent (5%) shall be paid to the historic hotel preservation commission established
33 under IC 36-7-11.5.

34 (4) Ten percent (10%) shall be paid in equal amounts to each town that:

35 (A) is located in the county in which the riverboat docks; and

36 (B) contains a historic hotel.

37 The town council shall appropriate a part of the money received by the town under this
38 subdivision to the budget of the town's tourism commission.

39 (5) Ten percent (10%) shall be paid to the county treasurer of the county in which the riverboat
40 is docked. The county treasurer shall distribute the money received under this subdivision as
41 follows:

42 (A) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county
43 having a population of more than thirty-nine thousand six hundred (39,600) but less than forty
44 thousand (40,000) for appropriation by the county fiscal body after receiving a
45 recommendation from the county executive. The county fiscal body for the receiving county
46 shall provide for the distribution of the money received under this clause to one (1) or more
47 taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the
48 county fiscal body after receiving a recommendation from the county executive.

49 (B) Twenty percent (20%) shall be quarterly distributed to the county treasurer of a county
50 having a population of more than ten thousand seven hundred (10,700) but less than twelve

1 thousand (12,000) for appropriation by the county fiscal body after receiving a
2 recommendation from the county executive. The county fiscal body for the receiving county
3 shall provide for the distribution of the money received under this clause to one (1) or more
4 taxing units (as defined in IC 6-1.1-1-21) in the county under a formula established by the
5 county fiscal body after receiving a recommendation from the county executive.

6 (C) Sixty percent (60%) shall be retained by the county where the riverboat is docked for
7 appropriation by the county fiscal body after receiving a recommendation from the county
8 executive. The county fiscal body shall provide for the distribution of part or all of the money
9 received under this clause to the following under a formula established by the county fiscal
10 body:

11 (i) A town having a population of more than two thousand two hundred (2,200) but less than
12 three thousand five hundred (3,500) located in a county having a population of more than
13 nineteen thousand three hundred (19,300) but less than twenty thousand (20,000).

14 (ii) A town having a population of more than three thousand five hundred (3,500) located
15 in a county having a population of more than nineteen thousand three hundred (19,300) but
16 less than twenty thousand (20,000).

17 (c) For each city and county receiving money under subsection (a)(2)(A) or (a)(2)(C), the treasurer
18 of state shall determine the total amount of money paid by the treasurer of state to the city or county
19 during the state fiscal year 2002. The amount determined is the base year revenue for the city or
20 county. The treasurer of state shall certify the base year revenue determined under this subsection to
21 the city or county. The total amount of money distributed to a city or county under this section during
22 a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year beginning
23 after June 30, 2002, the treasurer of state shall pay that part of the riverboat wagering taxes that:

24 (1) exceeds a particular city or county's base year revenue; and

25 (2) would otherwise be due to the city or county under this section;
26 to the property tax replacement fund instead of to the city or county.

27 (d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the
28 property tax replacement fund under subsection (a)(3) to the build Indiana fund an amount that when
29 added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

30 (1) Surplus lottery revenues under IC 4-30-17-3.

31 (2) Surplus revenue from the charity gaming enforcement fund under IC 4-32-10-6.

32 (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

33 The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the
34 build Indiana fund. If in any state fiscal year insufficient money is transferred to the property tax
35 replacement fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall
36 reduce the amount transferred to the build Indiana fund to the amount available in the property tax
37 replacement fund from the transfers under subsection (a)(3) for the state fiscal year.

38 (e) Before August 15 of 2003 and each year thereafter, the treasurer of state shall distribute the
39 wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each
40 county that does not have a riverboat according to the ratio that the county's population bears to the
41 total population of the counties that do not have a riverboat. Except as provided in subsection (h), the
42 county auditor shall distribute the money received by the county under this subsection as follows:

43 (1) To each city located in the county according to the ratio the city's population bears to the total
44 population of the county.

45 (2) To each town located in the county according to the ratio the town's population bears to the
46 total population of the county.

47 (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be
48 retained by the county.

49 (f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of
50 the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5);

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for additional credits for property tax replacement in property tax increment allocation areas or debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of 2003 and each year thereafter, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the property tax replacement fund. The amount of the supplemental distribution is equal to the difference between the entity's base year revenue (as determined under IC 4-33-12-6) and the total amount of money distributed to the entity during the preceding state fiscal year under IC 4-33-12-6.

(h) This section applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (d) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

SECTION 48. [EFFECTIVE JULY 1, 2002 (RETROACTIVE)] (a) This SECTION applies to the calculation and collection of wagering taxes on the adjusted gross receipts of a riverboat received:

(1) on or after the date that the riverboat implemented flexible scheduling under IC 4-33-6-21; and

(2) before July 1, 2003.

(b) The definitions in IC 4-33-2 apply throughout this SECTION.

(c) The general assembly does not acquiesce in any interpretation of IC 4-33-13-1.5 and P.L.292-2002(ss), SECTION 205 that excludes adjusted gross receipts of a riverboat received after June 30, 2002, and before the date that the riverboat implemented flexible scheduling under IC 4-33-6-21 from the determination of which wagering tax rate to apply to adjusted gross receipts of the riverboat received on or after the riverboat implemented flexible scheduling under IC 4-33-6-21.

(d) Wagering taxes imposed under IC 4-33-13-1.5 on adjusted gross receipts received on or after the date that the riverboat implemented flexible scheduling under IC 4-33-6-21 must be calculated and deposited using a graduated wagering tax rate selected (as stated in IC 4-33-13-1.5) through a calculation that includes "adjusted gross receipts received during the period beginning July 1 of each year and ending June 30 of the following year".

(e) All penalties and interest otherwise due from a riverboat that underpaid the amount of wagering tax due after June 30, 2002, and before May 1, 2003, as a result of a failure to include

1 adjusted gross receipts received by the riverboat after June 30, 2002, and before the date that
2 the riverboat implemented flexible scheduling under IC 4-33-6-21 in the determination of which
3 wagering tax rate to apply to adjusted gross receipts received after the riverboat implemented
4 flexible scheduling under IC 4-33-6-21 are waived if the riverboat pays the unpaid balance due
5 in two (2) equal installments on the following dates:

6 (1) July 1, 2003.

7 (2) July 1, 2004.

Chapter 7.5. County Financing of Children's Psychiatric Residential Treatment Services for Medicaid Eligible Children

Sec. 1. As used in this chapter, "children's psychiatric residential treatment services" means services that are:

- (1) eligible for federal financial participation under the state Medicaid plan; and
- (2) provided to individuals less than twenty-one (21) years of age who are:
 - (A) eligible for services under the state Medicaid plan;
 - (B) approved by the office for admission to and treatment in a private psychiatric residential treatment facility; and
 - (C) residing in a private psychiatric residential facility for the purposes of treatment for a mental health condition, based on an approved treatment plan that complies with applicable federal and state Medicaid rules and regulations.

Sec. 2. As used in this chapter, "fund" means the children's psychiatric residential treatment services fund established by section 5 of this chapter.

Sec. 3. As used in this chapter, "private psychiatric residential treatment facility" means a privately owned and operated facility that:

- (1) provides inpatient treatment to individuals less than twenty-one (21) years of age for mental health conditions;
- (2) is licensed or certified by:
 - (A) the division of family and children; or
 - (B) the division of mental health and addiction;
- to provide children's psychiatric residential treatment services; and
- (3) is enrolled in the state Medicaid program as a provider eligible to provide children's psychiatric residential treatment services.

Sec. 4. As used in this chapter, "state Medicaid plan" means the state plan approved by the United States Department of Health and Human Services for purposes of federal financial participation, under Title XIX of the Social Security Act (42 U.S.C. 1396 et seq.).

Sec. 5. (a) A children's psychiatric residential treatment services fund is established in each county. The fund shall be raised by a separate tax levy (the county children's psychiatric residential treatment services property tax levy) that:

- (1) is in addition to all other tax levies authorized; and
- (2) shall be levied annually by the county fiscal body on all taxable property in the county in the amount necessary to raise the part of the fund that the county must raise to pay the items, awards, claims, allowances, assistance, and other expenses set forth in the annual budget under section 8 of this chapter.

(b) The tax imposed under this section shall be collected as other state and county ad valorem taxes are collected.

(c) The following shall be paid into the county treasury and constitute the children's psychiatric residential treatment services fund:

- (1) All receipts from the tax imposed under this section.
- (2) All grants-in-aid, whether received from the federal government or state government.
- (3) Any other money required by law to be placed in the fund.

(d) The fund is available for the purpose of paying expenses and obligations set forth in the

1 annual budget that is submitted and approved.

2 Sec. 6. (a) For taxes first due and payable in 2004, each county must impose a county
3 children's psychiatric residential services property tax levy equal to the amount determined
4 using the following formula:

5 STEP ONE: Determine the sum of the amounts that were paid by the county minus the
6 amounts reimbursed by the state (including reimbursements made with federal money), as
7 determined by the state board of accounts in 2000, 2001, and 2002 for payments to facilities
8 licensed under 470 IAC 3-13 for services that were made on behalf of the children and for
9 which payment was made from the county family and children fund, or five percent (5%)
10 of the average family and children budget, as determined by the department of local
11 government finance in 2000, 2001, and 2002, whichever is greater.

12 STEP TWO: Subtract from the amount determined in STEP ONE the sum of the
13 miscellaneous taxes that were allocated to the county family and children fund and used to
14 pay the costs for providing services in facilities licensed under 470 IAC 3-13 in 2000, 2001,
15 and 2002.

16 STEP THREE: Divide the amount determined in STEP TWO by three (3).

17 STEP FOUR: Calculate the STEP ONE amount and the STEP TWO amount for 2002
18 expenses only.

19 STEP FIVE: Adjust the amounts determined in STEP THREE and STEP FOUR by the
20 amount determined by the department of local government finance under subsection (c).

21 STEP SIX: Determine whether the amount calculated in STEP THREE, as adjusted in
22 STEP FIVE, or the amount calculated in STEP FOUR, as adjusted in STEP FIVE, is
23 greater. Multiply the greater amount by the assessed value growth quotient determined
24 under IC 6-1.1-18.5-2 for the county for property taxes first due and payable in 2003.

25 STEP SEVEN: Multiply the amount determined in STEP SIX by the county's assessed
26 value growth quotient for property taxes first due and payable in 2004, as determined
27 under IC 6-1.1-18.5-2.

28 (b) For taxes first due and payable in each year after 2004, each county shall impose a county
29 children's psychiatric residential treatment services property tax levy equal to the product of:

30 (1) the county children's psychiatric residential treatment services property tax levy
31 imposed for taxes first due and payable in the preceding year; multiplied by

32 (2) the greater of:

33 (A) the county's assessed value growth quotient for the ensuing calendar year, as
34 determined under IC 6-1.1-18.5-2; or

35 (B) one (1).

36 When a year in which a statewide general reassessment of real property first becomes effective
37 is the year preceding the year that the property tax levy under this subsection will be first due
38 and payable, the amount to be used in subdivision (2) equals the average of the amounts used in
39 determining the two (2) most recent adjustments in the county's levy under this section.

40 (c) For taxes first due and payable in 2004, the department of local government finance shall
41 adjust the levy for each county to reflect the county's actual expenses incurred in providing
42 services to children in facilities licensed under 470 IAC 3-13 in 2000, 2001, and 2002. In making
43 this adjustment, the department of local government finance may consider all relevant
44 information, including the county's use of bond and loan proceeds to pay these expenses.

45 (d) The department of local government finance shall review each county's property tax levy
46 under this section and shall enforce the requirements of this section with respect to that levy.

47 Sec. 7. For taxes first due and payable in 2004, the department of local government finance
48 shall reduce the maximum levy for the county family and children fund or the county general
49 fund (in whatever amounts are appropriate) by an amount equal to the result in section 6(a) of
50 this chapter.

1 Sec. 8. (a) For purposes of this section, "expenses and obligations incurred by the county
2 office" include all anticipated costs of children's residential psychiatric services that are equal
3 to the state share of the cost of those services that are reimbursable under the state Medicaid
4 plan.

5 (b) The county director, upon the advice of the judges of the courts with juvenile jurisdiction
6 in the county, shall annually compile and adopt a children's psychiatric residential treatment
7 services budget, which must be in a form prescribed by the state board of accounts. The budget
8 may not exceed the levy limitation set forth in IC 6-1.1-18.6.

9 (c) The budget must contain an estimate of the amount of money that will be needed by the
10 county office during the fiscal year to defray the expenses and obligations incurred by the county
11 office in the payment of children's psychiatric residential treatment services for children who
12 are residents of the county.

13 Sec. 9. (a) The county director shall, with the assistance of the judges of courts with juvenile
14 jurisdiction in the county and at the same time the budget is compiled and adopted, recommend
15 to the division the tax levy that the director and judges determine will be required to raise the
16 amount of revenue necessary to pay the expenses and obligations of the county office set forth
17 in the budget under section 8 of this chapter. However, the tax levy may not exceed the
18 maximum permissible levy set forth in IC 6-1.1-18.6, and the budget may not exceed the levy
19 limitation set forth in IC 6-1.1-18.

20 (b) After the county budget has been compiled, the county director shall submit a copy of the
21 budget and the tax levy recommended by the county director and the judges of courts with
22 juvenile jurisdiction in the county to the division. The division shall examine the budget and the
23 tax levy for the purpose of determining whether, in the judgment of the division:

24 (1) the appropriations requested in the budget will be adequate to defray the expenses and
25 obligations incurred by the county office in the payment of children's psychiatric residential
26 treatment services for the next fiscal year; and

27 (2) the tax levy recommended will yield the amount of the appropriation set forth in the
28 budget.

29 Sec. 10. The division may do the following after examining a budget submitted by the county
30 office:

31 (1) Increase or decrease the amount of the budget or an item of the budget, subject to the
32 maximum levy set forth in IC 6-1.1-18.6.

33 (2) Approve the budget as compiled by the county director and judges of courts with
34 juvenile jurisdiction in the county.

35 (3) Recommend the increase or decrease of the tax levy, subject to the maximum levy set
36 forth in IC 6-1.1-18.6.

37 (4) Approve the tax levy as recommended by the county director and judges of courts with
38 juvenile jurisdiction in the county.

39 Sec. 11. The budget finally approved and the tax levy recommended by the division shall be:

40 (1) certified to the county office; and

41 (2) filed for consideration by the county fiscal body.

42 Sec. 12. Except as otherwise provided, a budget submitted under section 11 of this chapter
43 must be prepared and filed in the same form and manner and at the same time as the budgets
44 and estimates of other county officers are prepared and filed.

45 Sec. 13. In September of each year, at the time provided by law, the county fiscal body shall
46 do the following:

47 (1) Make the appropriations out of the children's psychiatric residential treatment services
48 fund that are:

49 (A) based on the budget as submitted; and

50 (B) necessary to maintain the children's psychiatric residential treatment services of the

1 county for the next fiscal year, subject to the maximum levy set forth in IC 6-1.1-18.6.

2 (2) Levy a tax in an amount necessary to produce the appropriated money.

3 Sec. 14. (a) If at any time the county director determines that the children's psychiatric
4 residential treatment services fund is exhausted or will be exhausted before the close of a fiscal
5 year, the county director shall prepare an estimate and statement showing the amount of money,
6 in addition to the money already made available, that will be necessary to defray the expenses
7 of the county office and pay the obligations of the county office, excluding administrative
8 expenses and facilities, supplies, and equipment expenses for the county office, in the
9 administration of the county office's activities for the unexpired part of the fiscal year.

10 (b) The county director shall do the following:

11 (1) Certify the estimate and statement to the county executive.

12 (2) File the estimate and statement with the county auditor.

13 Sec. 15. (a) The county executive shall consider and act upon an estimate and statement under
14 section 14 of this chapter at:

15 (1) the county executive's regular session immediately following the filing of the estimate
16 and statement; or

17 (2) a special session that is:

18 (A) called for the purpose of considering and acting upon the estimate and statement;
19 and

20 (B) called before the executive's regular session described in subdivision (1).

21 (b) The county executive shall, for and on behalf of the county, borrow sufficient money to
22 carry out the purposes described in section 14 of this chapter if after consideration of the
23 estimate and statement the county executive finds the following:

24 (1) That the county director has not appealed to borrow money under IC 12-19-5 or that
25 the appeal has been denied.

26 (2) That the amount of money required, in addition to any money already available, to
27 defray the expenses and pay the obligations of the county office in the administration of the
28 county's children's psychiatric residential treatment services for the unexpired part of the
29 fiscal year is greater than the amount of money that may be advanced from the general
30 fund of the county.

31 Sec. 16. (a) Before making a loan under section 15 of this chapter, the county executive shall
32 record a finding that the amount of money that will be required is greater than the amount of
33 money that may be advanced from the general fund of the county. The finding must:

34 (1) set forth the estimated requirements of the county office; and

35 (2) direct the county auditor to call the county fiscal body into special session for the
36 purpose of considering the making of the loan.

37 (b) In the notice of the special session of the county fiscal body, the auditor shall include a
38 statement of the estimated amount of the proposed loan.

39 Sec. 17. (a) In authorizing a loan under section 15 of this chapter, the county fiscal body:

40 (1) shall act by ordinance; and

41 (2) may adopt the ordinance under this section at a regular meeting without giving special
42 notice if requested by the county executive.

43 (b) The county fiscal body may:

44 (1) finally adopt the ordinance at the meeting at which the ordinance is first presented; or

45 (2) adjourn from day to day for further consideration of the ordinance.

46 (c) The county fiscal body is not required to make an itemized appropriation of the proceeds
47 of the bonds at the time the bonds are issued. Except as provided in section 26 of this chapter,
48 the entire proceeds of the bonds:

49 (1) shall be placed in the children's psychiatric residential treatment services fund; and

50 (2) are periodically subject to appropriation as required by this article.

1 **Sec. 18. An ordinance adopted by the county fiscal body authorizing a loan under this chapter**
2 **must do the following:**

3 (1) **Authorize the issuance of the bonds of the county to evidence the loan.**

4 (2) **Fix the following:**

5 (A) **The loan's maximum amount, which may be less than the amount shown by the**
6 **estimate of the county director.**

7 (B) **The number of semiannual series in which the bonds are payable, which may not**
8 **exceed twenty (20).**

9 **Sec. 19. The following apply to bonds issued under this chapter:**

10 (1) **The bonds shall be issued so that one (1) series will be payable June 30 and one (1) series**
11 **December 31 of each year in which bonds are payable.**

12 (2) **The series must be as nearly equal as possible, considering the following:**

13 (A) **The amount of the issue.**

14 (B) **The number of serial maturities.**

15 (C) **The denominations to be used.**

16 (3) **The first series of bonds and the first interest payments must be payable June 30 of the**
17 **year following the establishing of the annual tax levies immediately following the date of**
18 **the issue.**

19 (4) **The county fiscal body may provide that the first two (2) series of bonds mature in the**
20 **year following the year in which the bonds were issued if:**

21 (A) **issuance of the bonds is authorized by the county fiscal body at the fiscal body's**
22 **regular meeting held for the purpose of establishing tax levies for the following year;**
23 **and**

24 (B) **provision is made for the payment of the bonds and interest that are payable in the**
25 **following year.**

26 **Sec. 20. If the proceeds of the bonds authorized under this chapter are insufficient to enable**
27 **the county to administer the child services of the county for the unexpired part of the fiscal year,**
28 **additional loans may be made for that time.**

29 **Sec. 21. (a) After the adoption of the bond ordinance by the county fiscal body, the county**
30 **executive shall enter an order that does the following:**

31 (1) **Fixes the exact amount of the proposed loan. The amount of the proposed loan must be**
32 **the maximum amount provided in the bond ordinance less any amount to be advanced from**
33 **the general fund of the county.**

34 (2) **Fixes the exact rate of interest on the bonds or provides that the interest rate must be**
35 **the lowest interest rate bid on the bonds. The interest rate may not exceed the maximum**
36 **interest rate provided in the bond ordinance.**

37 (b) **The county executive may:**

38 (1) **fix the denominations of the bonds; or**

39 (2) **provide that the bonds shall be issued in denominations requested by the successful**
40 **bidder.**

41 (c) **The denominations selected under subsection (b) may not change the amount of the serial**
42 **maturities of the bonds.**

43 (d) **The county executive shall adopt the form of bond to be used in the issuance of the bonds.**
44 **The form shall be substantially followed in the issuance of the bonds.**

45 **Sec. 22. Upon the adoption of the order of the county executive under section 21 of this**
46 **chapter, the county auditor shall give notice of the determination to make the loan and to issue**
47 **the bonds.**

48 **Sec. 23. The provisions of laws concerning the right of a taxpayer to file a remonstrance and**
49 **to appeal to the department of local government finance apply to this chapter. However, the**
50 **notice of the determination shall be given in one (1) publication. A taxpayer has ten (10) days**

1 after the date of publication to file a remonstrance.

2 Sec. 24. Except as otherwise provided, the provisions of the general laws relating to the
3 preparation and sale of bonds by counties apply to the preparation and sale of bonds issued
4 under this chapter.

5 Sec. 25. (a) Before the sale of bonds under this chapter, the auditor shall publish notice of the
6 sale one (1) time each week for two (2) consecutive weeks. All publications must be made at least
7 seven (7) days before the date fixed for the sale of the bonds. The notice must be published:

8 (1) in two (2) newspapers published in the county; and

9 (2) one (1) time in a newspaper published in the city of Indianapolis.

10 (b) If the order of the county executive provides for a bid rate on the bonds, the notice of sale
11 must state the following:

12 (1) That the order provides for a bid rate.

13 (2) That the highest bidder for the bonds will be the person that offers the lowest net
14 interest cost to the county. The net interest cost shall be determined by:

15 (A) computing the total interest on all of the bonds to maturity; and

16 (B) deducting any premium bid from the total interest determined under clause (A).

17 Sec. 26. The auditor shall sell bonds issued under this chapter to the highest bidder. If a
18 satisfactory bid is not received for all of the bonds at the time fixed in the notice of sale, the
19 auditor may do the following:

20 (1) Continue the sale from day to day.

21 (2) Sell bonds in parcels until otherwise directed by an order of the county executive.

22 Sec. 27. (a) All bonds issued under this chapter:

23 (1) are direct general obligations of the county issuing the bonds; and

24 (2) are payable out of unlimited ad valorem taxes that shall be levied and collected on all
25 the taxable property within the county.

26 (b) Each official and body responsible for the levying of taxes for the county must ensure that
27 sufficient levies are made to meet the principal and interest on the bonds at the time fixed for the
28 payment of the principal and interest, without regard to any other statute. If an official or a
29 body fails or refuses to make or allow a sufficient levy required by this section, the bonds and
30 the interest on the bonds shall be payable out of the general fund of the county without
31 appropriation.

32 Sec. 28. (a) Upon approval of the county executive, the auditor may pay out of the proceeds
33 of the bonds without further appropriation the cost of the following:

38 residential treatment services fund.

39 (b) The proceeds of the bonds remaining after the payment of the costs of the issuance of the
40 bonds shall be paid into and are a part of the children's psychiatric residential treatment
41 services fund.

42 Sec. 29. The county fiscal body may authorize and make temporary loans for the use and
43 benefit of the children's psychiatric residential treatment services fund in anticipation of current
44 revenues of the county that are actually levied and being collected for the fiscal year in which
45 the loans are authorized and made. Each temporary loan authorized and made under this section
46 must be authorized and made in conformity with IC 36-2-6.

47 Sec. 30. Upon the affirmative vote of two-thirds (2/3) of the members of the county fiscal
48 body, a county may issue the county's serial bonds for an amount not exceeding in aggregate the
49 amount for which the county is indebted for the use of the children's psychiatric residential
50 treatment services fund if the following conditions exist:

(1) The indebtedness for the use of the children's psychiatric residential treatment services fund is evidenced by bonds, notes, judgments, or obligations that are:

- (A) issued or negotiated by the county; or
- (B) rendered against the county.

(2) The serial bonds are issued for any of the following purposes:

- (A) Funding or refunding the indebtedness or any part of the indebtedness.
- (B) Reducing the rate of interest on the indebtedness.
- (C) Extending the time of payment of the indebtedness.
- (D) Canceling the amount of the indebtedness that becomes due.

Sec. 31. The serial bonds issued under section 30 of this chapter:

(1) may be of any denomination that is:

- (A) not less than fifty dollars (\$50); and
- (B) not more than one thousand dollars (\$1,000);

(2) shall be payable:

- (A) at any place named on the serial bonds; and
- (B) at any time not later than fifteen (15) years after the date of the serial bonds;

(3) may bear any rate of interest, payable annually or semiannually;

(4) shall be sold at not less than the par value of the bonds; and

(5) shall be sold in the manner provided for the sale of bonds issued under IC 12-20-23.

Sec. 32. (a) The county fiscal body shall add to the tax duplicate of the county:

(1) an annual levy sufficient to pay the yearly interest on the bonds issued under section 30 of this chapter; and

(2) an annual levy sufficient to provide a sinking fund for the liquidation of the principal as the principal becomes due. The sinking fund shall be applied solely to the payment of the bonds.

(b) If the county fiscal body fails to levy a tax sufficient to pay the interest on the bonds or to liquidate the principal of the bonds as the principal becomes due, the county auditor shall levy the tax or increase the tax levy made by the county fiscal body in the amount necessary to pay the interest and to retire the bonds as the bonds become due.

(c) Notwithstanding any other law, the tax levy may not be reduced below the amount required under this section.

Sec. 33. (a) A county auditor shall annually, not before January 1 and not later than March 31, determine the amount of any excess funds available in the county children's psychiatric treatment services fund based on the following formula:

STEP ONE: Determine the ending cash balance in the fund in the preceding fiscal year.

STEP TWO: Calculate one-half of the actual cost of providing children's psychiatric treatment services.

STEP THREE: Subtract the amount determined in STEP TWO from the amount determined in STEP ONE.

(b) The county auditor shall transfer the amount determined in subsection (a) STEP THREE, if any, from the county children's psychiatric treatment services fund to the county general fund to be used to pay for the part of the care and maintenance of the inmates of the Plainfield juvenile correctional facility and the Indianapolis juvenile correctional facility that is charged back to the counties.

10 A plan developed under this section must be structured to maximize federal Medicaid
11 reimbursement for the Veterans' Home. Subject to approval of the budget agency, any revenue
12 accruing to the Indiana Veterans' Home from the receipt of Medicaid reimbursement may be
13 used to augment appropriations made to the office of Medicaid policy and planning established
14 by IC 12-8-6-1 for use in funding long term care.

49 (d) ~~Expenditures from the fund may not be made until state fiscal year 2006.~~ **After June 30, 2003,**
50 **and before July 1, 2004, the board of trustees of TRF shall use an amount not to exceed one**

16 value of future receipts to the fund, but the payments may not allow the fund balance to be negative.

17 (e) Money in the pension stabilization fund at the end of a state fiscal year does not revert to the
18 state general fund.

8 ~~(h)~~ (d) The state general fund is not liable for payment of a shortfall in expenditures, transfers, or
9 distributions from the Indiana tobacco master settlement agreement fund or any other fund due to a
10 delay, reduction, or cancellation of payments scheduled to be received by the state under the master
11 settlement agreement. If such a shortfall occurs in any state fiscal year, the budget agency shall make

45 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 7. (a) Each year in which the
46 department of local government finance computes a new assessment ratio for a school corporation, the
47 department shall also compute a new adjustment factor for the school corporation. If the school
48 corporation's assessment ratio for a year is more than ninety-nine percent (99%) but less than one

3 corporation of its new adjustment factor before March 2 of the year in which the department calculates
4 the new adjustment factor.

5 **(b) This subsection applies in a calendar year in which a general reassessment takes effect.**
6 **If the department of local government finance has not computed:**

7 **(1) a new assessment ratio for a school corporation; or**

8 **(2) a new state average assessment ratio;**

9 **the school corporation's adjustment factor is the number one (1) until the department of local**
10 **government finance notifies the school corporation of the school corporation's new adjustment**
11 **factor.**

23 ~~largest school corporation in the county in which the university is located would have received~~
24 ~~per pupil under IC 1971, 21-3 (except for IC 1971, 21-3-3); under Acts 1973, P.L. 339, pp.~~
25 ~~1943-1946; and under any supplemental laws, except supplemental laws which provide for~~

8 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 3. (a) The amount to be distributed to
9 a school corporation under this chapter is the amount determined by the following formula:

10 **STEP ONE: For a calendar year ending before January 1, 2004,** determine the applicable
11 target pupil teacher ratio for the school corporation as follows:

12 (A) If the school corporation's at-risk index is less than seventeen hundredths (0.17), the
13 school corporation's target pupil teacher ratio is eighteen to one (18:1).

14 (B) If the school corporation's at-risk index is at least seventeen hundredths (0.17) but less
15 than twenty-seven hundredths (0.27), the school corporation's target pupil teacher ratio is
16 fifteen (15) plus the result determined in item (iii):

17 (i) Determine the result of twenty-seven hundredths (0.27) minus the school corporation's
18 at-risk index.

19 (ii) Determine the item (i) result divided by one-tenth (0.1).

20 (iii) Determine the item (ii) result multiplied by three (3).

21 (C) If the school corporation's at-risk index is at least twenty-seven hundredths (0.27), the
22 school corporation's target pupil teacher ratio is fifteen to one (15:1).

23 **STEP TWO: For a calendar year beginning after December 31, 2003, determine the**
24 **applicable target pupil teacher ratio for the school corporation as follows:**

25 (A) If the school corporation's complexity index is less than one-tenth (0.1), the school
26 corporation's target pupil teacher ratio is eighteen to one (18:1).

27 (B) If the school corporation's complexity index is at least one-tenth (0.1) but less than
28 two-tenths (0.2), the school corporation's target pupil teacher ratio is fifteen (15) plus
29 the result determined in item (iii):

30 (i) Determine the result of two-tenths (0.2) minus the school corporation's complexity
31 index.

32 (ii) Determine the item (i) result divided by one-tenth (0.1).

33 (iii) Determine the item (ii) result multiplied by three (3).

34 (C) If the school corporation's complexity index is at least two-tenths (0.2), the school
35 corporation's target pupil teacher ratio is fifteen to one (15:1).

36 **STEP THREE:** Determine the result of:

37 (A) the ADM of the school corporation, as determined under section 2(2) of this chapter, in
38 kindergarten through grade 3 for the current school year; divided by

39 (B) the school corporation's **applicable** target pupil teacher ratio, as determined in STEP ONE
40 or STEP TWO.

41 **STEP THREE: FOUR:** Determine the result of:

42 (A) the total regular general fund revenue (the amount determined in ~~STEP ONE of~~
43 ~~IC 21-3-1.7-8~~ **IC 21-3-1.7-8.2(b) STEP ONE or IC 21-3-1.7-8.2(c) STEP ONE**) multiplied
44 by seventy-five hundredths (0.75); divided by

45 (B) the school corporation's total ADM.

46 **STEP FOUR: FIVE:** Determine the result of:

47 (A) the ~~STEP THREE~~ **FOUR** result; multiplied by

48 (B) the ADM of the school corporation, as determined under section 2(2) of this chapter in
49 kindergarten through grade 3 for the current school year.

50 **STEP FIVE: SIX:** Determine the result of:

(A) the STEP ~~FOUR~~ **FIVE** result; divided by
 (B) the staff cost amount.
 STEP ~~SIX~~ **SEVEN**: Determine the greater of zero (0) or the result of:
 (A) the STEP ~~TWO~~ **THREE** amount; minus
 (B) the STEP ~~FIVE~~ **SIX** amount.
 STEP ~~SEVEN~~ **EIGHT**: Determine the result of:
 (A) the STEP ~~SIX~~ **SEVEN** amount; multiplied by
 (B) the staff cost amount.
 STEP ~~EIGHT~~ **NINE**: Determine the greater of the STEP ~~SEVEN~~ **EIGHT** amount or the school corporation's guaranteed amount.
 STEP ~~NINE~~ **TEN**: If the amount the school corporation received under this chapter in the previous calendar year is greater than zero (0), determine the lesser of:
 (A) the STEP ~~EIGHT~~ **NINE** amount; or
 (B) the amount the school corporation received under this chapter for the previous calendar year multiplied by one hundred seven and one-half percent (107.5%).
 For 2000 calculations, the amount the school corporation received under this chapter for the previous calendar year is the 1999 calendar year allocation, before any penalty was assessed under this chapter.

(b) The amount received under this chapter shall be devoted to reducing class size in kindergarten through grade 3. A school corporation shall compile class size data for kindergarten through grade 3 and report the data to the department of education for purposes of maintaining compliance with this chapter.

25 SECTION 149. IC 21-2-15-5, AS AMENDED BY P.L.177-2002, SECTION 13, IS AMENDED
26 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 5. (a) This subsection does not apply
27 to a school corporation that is located in a city having a population of more than one hundred five
28 thousand (105,000) but less than one hundred twenty thousand (120,000), unless a resolution adopted
29 under IC 6-1.1-17-5.6(d) by the governing body of the school corporation is in effect. Before a
30 governing body may collect property taxes for a capital projects fund in a particular year, the
31 governing body must, after January 1 and not later than September 20 of the immediately preceding
32 year, hold a public hearing on a proposed **or amended** plan and then pass a resolution to adopt **a the**
33 **proposed or amended** plan.

34 (b) This subsection applies only to a school corporation that is located in a city having a population
35 of more than one hundred five thousand (105,000) but less than one hundred twenty thousand
36 (120,000). This subsection does not apply to the school corporation if a resolution adopted under
37 IC 6-1.1-17-5.6(d) by the governing body of the school corporation is in effect. Before the governing
38 body of the school corporation may collect property taxes for a capital projects fund in a particular
39 year, the governing body must, after January 1 and on or before February 1 of the immediately
40 preceding year, hold a public hearing on a proposed **or amended** plan and then pass a resolution to
41 adopt **a the proposed or amended** plan.

42 (c) The department of local government finance shall prescribe the format of the plan. A plan must
43 apply to at least the three (3) years immediately following the year the plan is adopted. A plan must
44 estimate for each year to which it applies the nature and amount of proposed expenditures from the
45 capital projects fund. A plan must estimate:

46 (1) the source of all revenue to be dedicated to the proposed expenditures in the upcoming
47 calendar year; and

48 (2) the amount of property taxes to be collected in that year and retained in the fund for
49 expenditures proposed for a later year.

50 (d) If a hearing is scheduled under subsection (a) or (b), the governing body shall publish the

1 proposed plan and a notice of the hearing in accordance with IC 5-3-1-2(b).

2 (e) **Subject to any notice and hearing requirements, a school corporation may amend a plan**
3 **adopted under this chapter to include expenditures under section 4(l), 4(m), or 4(n) of this**
4 **chapter.**

5 SECTION 150. IC 21-2-15-6, AS AMENDED BY P.L.90-2002, SECTION 443, IS AMENDED
6 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 6. (a) The governing body shall publish
7 a notice of the adoption **or amendment of the a** plan in accordance with IC 5-3-1-2(b). This
8 publication must be made no later than twenty (20) days after the county auditor posts and publishes
9 the notice of the school corporation's tax rate for the ensuing calendar year.

10 (b) In the first year that a plan is proposed, ten (10) or more taxpayers who will be affected by the
11 adopted plan may file a petition with the county auditor of a county in which the school corporation
12 is located not later than ten (10) days after the publication, setting forth their objections to the
13 proposed plan. After the first year a plan is proposed, ten (10) or more taxpayers who will be affected
14 by the adopted plan may file a petition with the county auditor of a county in which the school
15 corporation is located not later than ten (10) days after the publication, setting forth their objections
16 to any item in the proposed plan **or amendment to the plan** that does not concern a construction
17 project that had previously been included in an adopted capital project fund plan. The county auditor
18 shall immediately certify the petition to the department of local government finance.

19 SECTION 151. IC 21-2-15-11, AS AMENDED BY P.L.178-2002, SECTION 92, IS AMENDED
20 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 11. (a) **Except as provided in**
21 **subsection (e),** to provide for the capital projects fund, the governing body may, for each year in which
22 a plan adopted under section 5 of this chapter is in effect, impose a property tax rate that does not
23 exceed forty-one and sixty-seven hundredths cents (\$0.4167) on each one hundred dollars (\$100) of
24 assessed valuation of the school corporation. This actual rate must be advertised in the same manner
25 as other property tax rates.

26 (b) The maximum property tax rate levied by each school corporation must be adjusted each time
27 a general reassessment of property takes effect. The adjusted property tax rate becomes the new
28 maximum property tax rate for the levy for property taxes first due and payable in each year:

- 29 (1) after the general reassessment for which the adjustment was made takes effect; and
30 (2) before the next general reassessment takes effect.

31 (c) The new maximum rate under this section is the tax rate determined under STEP SEVEN of the
32 following formula:

33 STEP ONE: Determine the maximum rate for the school corporation for the year preceding the
34 year in which the general reassessment takes effect.

35 STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth
36 percent (0.01%)) in the assessed value of the taxable property from the year preceding the year
37 the general reassessment takes effect to the year that the general reassessment is effective.

38 STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing
39 calendar year and in which a statewide general reassessment of real property does not first
40 become effective.

41 STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE,
42 the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the
43 assessed value of the taxable property from the preceding year.

44 STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

45 STEP SIX: Determine the greater of the following:

46 (A) Zero (0).

47 (B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

48 STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1)
49 plus the STEP SIX percentage increase.

50 (d) The department of local government finance shall compute the maximum rate allowed under

subsubsection (c) and provide the rate to each school corporation.

(e) For a year in which a school corporation uses money from the school corporation's capital projects fund to pay for costs described in section 4(l) of this chapter, the school corporation may impose a property tax rate that exceeds the rate described in subsection (a). The amount by which the property tax rate may exceed the rate described in subsection (a) equals the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the sum of:

(A) the school corporation's expenditures under section 4(l) of this chapter for the calendar year; plus

(B) either:

(i) the school corporation's expenditures under section 4(m) of this chapter for the 2004 calendar year; or

(ii) the school corporation's expenditures under section 4(n) of this chapter for the 2005 calendar year.

STEP TWO: Determine the quotient of:

(A) the STEP ONE amount; divided by

(B) the school corporation's assessed valuation for the year.

STEP THREE: Determine the product of:

(A) the STEP TWO amount; multiplied by

(B) one hundred (100).

SECTION 152. IC 21-2-15-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 12. (a) Interest on the capital projects fund, including the fund's pro rata share of interest earned on the investment of total money on deposit, shall be deposited in the fund. However, the governing body may adopt a resolution to transfer any interest earned on money on deposit in the capital projects fund to the school corporation's general fund.

(b) A school corporation may transfer money to or from the capital projects fund under IC 21-2-11-4(c).

SECTION 153. IC 21-2-15-13.1, AS ADDED BY P.L.178-2002, SECTION 93, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 13.1. (a) The governing body of a school corporation may adopt a resolution to transfer after June 30, 2002, and before January 1, 2003, money that is:

(1) not greater than the remainder of the amount described in ~~IC 21-3-1.7-8~~ IC 21-3-1.7-8.2(b) STEP TWO (C) minus the amount transferred under IC 21-2-4-7(a) and IC 21-2-11.5-5(a); and

(2) on deposit in the school corporation's capital projects fund;
to the school corporation's general fund for use for any general fund purpose.

(b) The governing body of a school corporation may adopt a resolution to transfer after December 31, 2002, and before July 1, 2003, money that is:

(1) not greater than the remainder of the amount described in ~~IC 21-3-1.7-8~~ IC 21-3-1.7-8.2(b) STEP TWO (D) minus the amount transferred under IC 21-2-4-7(b) and IC 21-2-11.5-5(b); and

(a) Except as provided in subsection (b), the fund may be used for one (1) or more of the purposes described in IC 20-5-62-6(4)(B), IC 20-10.1-25, IC 20-10.1-25.3, or ~~IC 21-2-15-4(d)~~ IC 21-2-15-4(e).

(b) Money in the fund may not be used to purchase software programs to be used exclusively for administrative purposes, such as payroll and attendance records, personnel records, administration of insurance or pension programs, or any other similar purpose. However, if a particular software program is to be used for administrative purposes and for other purposes described in subsection (a),

1 a portion of the cost of the software program may be paid from the fund. The portion of the cost that
2 may be paid from the fund is the total cost of the software program multiplied by the estimated
3 percentage of use of the software program for nonadministrative purposes.

5 READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 4. Before February 15 of 2001 and each
6 year thereafter, each school corporation shall file a report with the superintendent of public
7 instruction's special assistant for technology. The report must be prepared in the form prescribed by
8 the special assistant for technology and must include a list of expenditures made by the school
9 corporation during the preceding calendar year from the school corporation's:

17 SECTION 156. IC 21-3-1.6-1.1, AS AMENDED BY P.L.111-2002, SECTION 6, IS AMENDED
18 TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 1.1. As used in this chapter:

19 (a) "School corporation" means any local public school corporation established under Indiana law.

20 (b) "School year" means a year beginning July 1 and ending the next succeeding June 30.

21 (c) "State distribution" due a school corporation means the amount of state funds to be distributed
22 to a school corporation in any calendar year under this chapter.

23 (d) "Average daily membership" or "ADM" of a school corporation means the number of eligible
24 pupils enrolled in the school corporation or in a transferee corporation on a day to be fixed annually
25 by the Indiana state board of education ~~Such and, beginning in the school year that ends in the 2005~~
26 **calendar year, as subsequently adjusted not later than January 30 under the rules adopted by**
27 **the state board of education. The initial day of the count** shall fall within the first thirty (30) days
28 of the school term. If, however, extreme patterns of student in-migration, illness, natural disaster, or
29 other unusual conditions in a particular school corporation's enrollment on ~~either the particular day~~
30 ~~thus fixed by the Indiana state board of education or on the subsequent adjustment date~~, cause
31 the enrollment to be unrepresentative of the school corporation's enrollment throughout a school year,
32 the Indiana state board of education may designate another day for determining the school
33 corporation's enrollment. The Indiana state board of education shall monitor changes that occur after
34 the fall count, in the number of students enrolled in programs for children with disabilities and shall,
35 before December 2 of that same year **and, beginning in the 2004 calendar year, before April 2 of**
36 **the following calendar year**, make an adjusted count of students enrolled in programs for children
37 with disabilities. The superintendent of public instruction shall certify the **December** adjusted count
38 to the budget committee before February 5 of the following year **and the April adjusted count not**
39 **later than May 31 immediately after the date of the April adjusted count.** In determining the
40 ADM, each kindergarten pupil shall be counted as one-half (1/2) pupil. Where a school corporation
41 commences kindergarten in a school year, the ADM of the current and prior calendar years shall be
42 adjusted to reflect the enrollment of the kindergarten pupils. In determining the ADM, each pupil
43 enrolled in a public school and a nonpublic school is to be counted on a full-time equivalency basis
44 as provided in section 1.2 of this chapter. ~~"Current ADM" of a school corporation, used in computing~~
45 ~~its state distribution in a calendar year means the ADM of the school year ending in the calendar year:~~
46 ~~"ADM of the previous year" or "ADM of the prior year" of a school corporation used in computing its~~
47 ~~state distribution in a calendar year means the ADM of the school corporation for the school year~~
48 ~~ending in the preceding calendar year.~~

49 (e) "Additional count" of a school corporation, or comparable language, means the aggregate of the
50 additional counts of the school corporation for certain pupils as set out in section 3 of this chapter

(repealed) and as determined at the times for calculating ADM. "Current additional count" means the **initial computed** additional count of the school corporation for the school year ending in the calendar year. "Prior year additional count" of a school corporation used in computing its state distribution in a calendar year means the **initial computed** additional count of the school corporation for the school year ending in the preceding calendar year.

(f) "Adjusted assessed valuation" of any school corporation used in computing state distribution for a calendar year means the assessed valuation in the school corporation, adjusted as provided in IC 6-1.1-34. The amount of the valuation shall also be adjusted downward by the department of local government finance to the extent it consists of real or personal property owned by a railroad or other corporation under the jurisdiction of a federal court under the federal bankruptcy laws (11 U.S.C. 101 et seq.) if as a result of the corporation being involved in a bankruptcy proceeding the corporation is delinquent in payment of its Indiana real and personal property taxes for the year to which the valuation applies. If the railroad or other corporation in some subsequent calendar year makes payment of the delinquent taxes, then the state superintendent of public instruction shall prescribe adjustments in the distributions of state funds pursuant to this chapter as are thereafter to become due to a school corporation affected by the delinquency as will ensure that the school corporation will not have been unjustly enriched under the provisions of P.L.382-1987(ss). The amount of the valuation shall also be adjusted downward by the department of local government finance to the extent it consists of real or personal property described in IC 6-1.1-17-0.5(b).

(g) "General fund" means a school corporation fund established under IC 21-2-11-2.

(h) "Teacher" means every person who is required as a condition of employment by a school corporation to hold a teacher's license issued or recognized by the state, except substitutes and any person paid entirely from federal funds.

(i) "Teacher ratio" of a school corporation used in computing state distribution in any calendar year means the ratio assigned to the school corporation pursuant to section 2 of this chapter.

(j) "Eligible pupil" means a pupil enrolled in a school corporation if:

(1) the school corporation has the responsibility to educate the pupil in its public schools without the payment of tuition;

(2) subject to subdivision (5), the school corporation has the responsibility to pay transfer tuition under IC 20-8.1-6.1, because the pupil is transferred for education to another school corporation (the "transferee corporation");

(3) the pupil is enrolled in a school corporation as a transfer student under IC 20-8.1-6.1-3 or entitled to be counted for ADM or additional count purposes as a resident of the school corporation when attending its schools under any other applicable law or regulation;

(4) the state is responsible for the payment of transfer tuition to the school corporation for the pupil under IC 20-8.1-6.1; or

(5) all of the following apply:

(A) The school corporation is a transferee corporation.

(B) The pupil does not qualify as a qualified pupil in the transferee corporation under subdivision (3) or (4).

(C) The transferee corporation's attendance area includes a state licensed private or public health care facility, child care facility, or foster family home where the pupil was placed:

(i) by or with the consent of the division of family and children;

(ii) by a court order;

(iii) by a child placing agency licensed by the division of family and children; or

(iv) by a parent or guardian under IC 20-8.1-6.1-5.

(k) "General fund budget" of a school corporation means the amount of the budget approved for a given year by the department of local government finance and used by the department of local government finance in certifying a school corporation's general fund tax levy and tax rate for the school corporation's general fund as provided for in IC 21-2-11.

(l) "At risk index" means the sum of:

- (1) the product of sixteen-hundredths (0.16) multiplied by the percentage of families in the school corporation with children who are less than eighteen (18) years of age and who have a family income below the federal income poverty level (as defined in IC 12-15-2-1);
- (2) the product of four-tenths (0.4) multiplied by the percentage of families in the school corporation with a single parent; and
- (3) the product of forty-four hundredths (0.44) multiplied by the percentage of the population in the school corporation who are at least twenty (20) years of age with less than a twelfth grade education.

The data to be used in making the calculations under this subsection must be the data from the 1990 federal decennial census.

(m) "ADM of the previous year" or "ADM of the prior year" used in computing a state distribution in a calendar year means the initial computed ADM for the school year ending in the preceding calendar year.

(n) "Current ADM" used in computing a state distribution in a calendar year means the initial computed ADM for the school year ending in the calendar year.

(3) distributions received by the school corporation under IC 6-1.1-21.6 for the year that precedes the current year; plus

(4) the school corporation's excise tax revenue for the year that precedes the current year by two (2) years; minus

(5) an amount equal to the reduction in the school corporation's tuition support under subsection (b) or IC 20-10.1-2-1, or both; plus

(6) in calendar year 2003, the amount determined for calendar year 2002 under section **8 8.2** of this chapter, STEP TWO (C); plus

(7) in calendar year 2004, the amount determined for calendar year 2002 under section **8 8.2** of this chapter, STEP TWO (D); **plus**

(8) notwithstanding subdivision (1), in calendar year 2004, the school corporation's distribution under section 9.7 of this chapter for calendar year 2003.

(b) A school corporation's previous year revenue shall be reduced if:

(1) the school corporation's state tuition support for special or vocational education was reduced as a result of a complaint being filed with the department of education after December 31, 1988, because the school program overstated the number of children enrolled in special or vocational education programs; and

(2) the school corporation's previous year revenue has not been reduced under this subsection more than one (1) time because of a given overstatement.

The amount of the reduction equals the amount the school corporation would have received in tuition support for special and vocational education because of the overstatement.

Sec. 22. A taxpayer claiming a credit under this chapter shall submit to the department of state revenue a copy of the director's certificate of verification under this chapter for the taxable year. However, failure to submit a copy of the certificate does not invalidate a claim for a credit.

1 Sec. 23. If the director determines that a taxpayer who has received a credit under this
2 chapter is not complying with the requirements of the tax credit agreement or all the provisions
3 of this chapter, the director shall, after giving the taxpayer an opportunity to explain the
4 noncompliance, notify the department of commerce and the department of state revenue of the
5 noncompliance and request an assessment. The department of state revenue, with the assistance
6 of the director, shall state the amount of the assessment, which may not exceed the sum of any
7 previously allowed credits under this chapter. After receiving the notice, the department of state
8 revenue shall make an assessment against the taxpayer under IC 6-8.1.

14 credits awarded under this chapter. A copy of the report shall be delivered to the executive
15 director of the legislative services agency for distribution to the members of the general
16 assembly.

17 Sec. 25. On a biennial basis, the board shall provide for an evaluation of the tax credit
18 program, giving first priority to using the Indiana economic development council established
19 under IC 4-3-14. The evaluation must include an assessment of the effectiveness of the program
20 in creating new jobs and increasing wages in Indiana and of the revenue impact of the program
21 and may include a review of the practices and experiences of other states with similar programs.
22 The director shall submit a report on the evaluation to the governor, the president pro tempore
23 of the senate, and the speaker of the house of representatives after June 30 and before November
24 1 in each odd-numbered year.

25 Sec. 26. Notwithstanding the other provisions of this chapter, a taxpayer is not entitled to a
26 credit for a qualified investment made after December 31, 2005. However, this section may not
27 be construed to prevent a taxpayer from carrying an unused tax credit attributable to a qualified
28 investment made before January 1, 2006, forward to a taxable year beginning after December
29 31, 2005, in the manner provided by section 15 of this chapter.

33 adopted or trust agreement executed by the commission, but the commission shall not convey or
34 mortgage any port ~~port or~~ project or any part thereof, **except for self liquidating projects under**

37 may be issued as a first lien and charge against the revenues pledged to the payment of such bonds or
38 the commission may authorize the issuance from time to time thereafter of additional bonds secured
39 by the same lien to provide funds for the completion of the port **or** project on account of which the
40 original bonds were issued, or to provide funds to pay the cost of additional ~~port~~ projects undertaken

15 the individual right of action by bondholders as is customary in trust agreements or trust indentures
16 securing bonds or debentures of private corporations. In addition to the foregoing, any such trust
17 agreement may contain such other provisions as the commission may deem reasonable and proper for

38 SECTION 246. IC 6-1.1-18.5-13, AS AMENDED BY P.L.192-2002(ss), SECTION 37, IS
39 AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 13. With respect to an
40 appeal filed under section 12 of this chapter, the local government tax control board may recommend
41 that a civil taxing unit receive any one (1) or more of the following types of relief:

42 (1) Permission to the civil taxing unit to reallocate the amount set aside as a property tax
43 replacement credit as required by IC 6-3.5-1.1 for a purpose other than property tax relief.
44 However, whenever this occurs, the local government tax control board shall also state the
45 amount to be reallocated.

46 (2) Permission to the civil taxing unit to increase its levy in excess of the limitations established
47 under section 3 of this chapter, if in the judgment of the local government tax control board the
48 increase is reasonably necessary due to increased costs of the civil taxing unit resulting from
49 annexation, consolidation, or other extensions of governmental services by the civil taxing unit
50 to additional geographic areas or persons.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's share of the costs of operating a court for the first full calendar year in which it is in existence.

(4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and three-hundredths (1.03):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the civil taxing unit's total assessed value of all taxable property in the particular calendar year, divided by the civil taxing unit's total assessed value of all taxable property in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the total assessed value of all taxable property of all civil taxing units in the particular calendar year, divided by the total assessed value of all taxable property of all civil taxing units in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

In addition, before the local government tax control board may recommend the relief allowed under this subdivision, the civil taxing unit must show a need for the increased levy because of special circumstances, and the local government tax control board must consider other sources of revenue and other means of relief.

(5) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the

civil taxing unit's use in paying operating expenses of a volunteer fire department.

(6) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(7) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

- (A) the township's poor relief ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and
- (B) the township needs the increase to meet the costs of providing poor relief under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's poor relief ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(8) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

- (A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and
- (B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(9) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

- (A) the civil taxing unit is:
 - (i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);
 - (ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);
 - (iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);
 - (iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or
 - (v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and
- (B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous

substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(10) Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

(i) was issued by a federal district court; and

(ii) has not been terminated;

(C) that operates a county jail that fails to meet:

(i) American Correctional Association Jail Construction Standards; and

(ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(12) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed

under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(13) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under subdivision (1) in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned to have reallocated in 2001 under subdivision (1) for a purpose other than property tax relief.

SECTION 247. IC 6-3.5-6-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 13. (a) A county income tax council of a county in which the county option income tax is in effect may adopt an ordinance to increase the percentage credit allowed for homesteads in its county under IC 6-1.1-20.9-2.

(b) A county income tax council may not increase the percentage credit allowed for homesteads by an amount that exceeds ~~eight percent (8%)~~: **the amount determined in the last STEP of the following formula:**

STEP ONE: Determine the amount of the sum of all property tax levies for all taxing units in a county which are to be paid in the county in 2003 as reflected by the auditor's abstract for the 2002 assessment year, adjusted, however, for any postabstract adjustments which change the amount of the levies.

STEP TWO: Determine the amount of the county's estimated property tax replacement under IC 6-1.1-21-3(a) for property taxes first due and payable in 2003.

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the amount of the county's total county levy (as defined in IC 6-1.1-21-2(g)) for property taxes first due and payable in 2003.

STEP FIVE: Subtract the STEP FOUR amount from the STEP ONE amount.

STEP SIX: Subtract the STEP FIVE result from the STEP THREE result.

STEP SEVEN: Divide the STEP THREE result by the STEP SIX result.

STEP EIGHT: Multiply the STEP SEVEN result by eight-hundredths (0.08).

STEP NINE: Round the STEP EIGHT product to the nearest one thousandth and express the result as a percentage.

(c) The increase of the homestead credit percentage must be uniform for all homesteads in a county.

(d) In the ordinance that increases the homestead credit percentage, a county income tax council may provide for a series of increases or decreases to take place for each of a group of succeeding calendar years.

(e) An ordinance may be adopted under this section after January 1 but before June 1 of a calendar year.

(f) An ordinance adopted under this section takes effect on January 1 of the next succeeding calendar year.

(g) Any ordinance adopted under this section for a county is repealed for a year if on January 1 of that year the county option income tax is not in effect.

SECTION 248. [EFFECTIVE UPON PASSAGE] (a) **Notwithstanding IC 6-3.5-6-13, as amended by this act, or any other law, a county income tax council of a county in which the county option income tax is in effect may adopt an ordinance to increase the percentage credit allowed for homesteads in its county under IC 6-1.1-20.9-2 for property taxes first due and payable in 2003**

1 and each year thereafter.

2 (b) An ordinance may be adopted under this SECTION before July 1, 2003.

3 (c) Property tax statements mailed under IC 6-1.1-22 before July 1, 2003, in a county adopting
4 an ordinance under this SECTION are superseded by property tax statements recalculated to
5 implement this SECTION.

6 (d) The department of local government finance shall assist a county adopting an ordinance
7 under this SECTION in implementing this SECTION.

8 (e) This SECTION expires January 1, 2004.

9 SECTION 249. IC 6-9-10-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON
10 PASSAGE]: Sec. 5. (a) For purposes of this section, "person" includes a sole proprietorship, a
11 partnership, an association, a corporation, a limited liability company, a fiduciary, or an
12 individual.

13 (b) The board may:

14 (1) accept and use gifts, grants, and contributions from any public or private source, under terms
15 and conditions which the board deems necessary and desirable;

16 (2) sue and be sued;

17 (3) enter into contracts and agreements;

18 (4) make rules and regulations necessary for the conduct of its business and the accomplishment
19 of its purposes; and

20 (5) receive and approve, alter, or reject requests and proposals for funding by organizations; and

21 (6) either:

22 (A) finance facilities; or

23 (B) enter into contracts with a person to assist in the financing of facilities;

24 to be used by the board or a person to promote the development and growth of the
25 convention and tourism industry in the county.

26 (c) By resolution of the board and by ordinance of the county fiscal body, the board and the
27 county may jointly:

28 (1) pledge tax revenues received under this chapter to pay:

29 (A) the principal of or interest on bonds;

30 (B) the lease rental payments on leases; or

31 (C) other obligations of the county;

32 to finance facilities described in subsection (b)(6); or

33 (2) require financial or other reports from:

34 (A) any organization that receives funds under this chapter; or

35 (B) any person who receives assistance to finance facilities under this chapter.

36 (d) The board may pledge tax revenues received under this chapter to pay the interest on
37 obligations entered into by a person with whom the board has entered into a contract to assist
38 in financing facilities under subsection (b)(6).

39 (e) A pledge of revenues under this section is enforceable under IC 5-1-14-4.

40 SECTION 250. IC 6-9-10-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON
41 PASSAGE]: Sec. 6. (a) There is imposed a tax on every person engaged in the business of renting or
42 furnishing, for periods of less than thirty (30) days, any room or rooms, lodging, or accommodations
43 in any hotel, motel, inn, university residence hall, tourist camp, or tourist cabin located in the county.
44 However, the tax is not imposed on the renting or furnishing of rooms, lodgings, or accommodations
45 to a person for a period of thirty (30) days or more, or on the renting or furnishing of any room,
46 lodging, or accommodations in a university or college residence hall to a student participating in a
47 course of study for which the student receives college credit from a college or university located in the
48 county.

49 (b) The tax shall be imposed at the rate of three percent (3%) on the gross income derived from
50 lodging income only. Except as provided in subsection (g), the fiscal body of the county may

1 increase the tax rate up to a maximum rate of five percent (5%). The tax is in addition to the state gross
2 retail tax imposed on such persons by IC 6-2.5.

3 (c) The county fiscal body may adopt an ordinance to require that the tax be reported on forms
4 approved by the county treasurer and that the tax shall be paid monthly to the county treasurer. If such
5 an ordinance is adopted, the tax shall be paid to the county treasurer not more than twenty (20) days
6 after the end of the month the tax is collected. If such an ordinance is not adopted, the tax shall be
7 imposed, paid, and collected in exactly the same manner as the state gross retail tax is imposed, paid,
8 and collected pursuant to IC 6-2.5.

9 (d) All of the provisions of IC 6-2.5 relating to rights, duties, liabilities, procedures, penalties,
10 definitions, exemptions, and administration shall be applicable to the imposition and administration
11 of the tax imposed by this section except to the extent such provisions are in conflict or inconsistent
12 with the specific provisions of this chapter or the requirements of the county treasurer. Specifically,
13 and not in limitation of the foregoing sentence, the terms "person" and "gross income" have the same
14 meaning in this section as they have in IC 6-2.5, except that "person" does not include state supported
15 educational institutions.

16 (e) If the tax is paid to the department of state revenue, the returns to be filed for the payment of
17 the tax under this section may be either a separate return or may be combined with the return filed for
18 the payment of the state gross retail tax, as the department of state revenue may by rule determine.

19 (f) If the tax is paid to the department of state revenue, the amounts received from such tax shall
20 be paid quarterly by the treasurer of state to the county treasurer upon warrants issued by the auditor
21 of state.

22 **(g) In addition to the rates authorized in subsection (b), the county fiscal body may adopt an**
23 **ordinance to increase the tax by an additional rate of one percent (1%) on the gross income**
24 **derived from lodging income, up to a maximum rate of six percent (6%), only to provide funds**
25 **for the purposes described in section 5(b)(6) of this chapter.**

26 **(h) A tax rate imposed under subsection (g) may not be imposed for a time greater than is**
27 **necessary to:**

28 **(1) pay the costs of financing facilities; or**

29 **(2) assist a person with whom the board has contracted to finance facilities;**
30 **described in section 5(b)(6) of this chapter.**

31 **(i) The county fiscal body may not take action to rescind the additional tax imposed under**
32 **subsection (g) if:**

33 **(1) the principal of or interest on any bonds;**

34 **(2) the lease rentals due under any leases; or**

35 **(3) any other obligation;**
36 **remains unpaid.**

37 SECTION 251. IC 6-9-10-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON
38 PASSAGE]: Sec. 7. **(a) The county treasurer shall establish a convention and tourism fund and shall**
39 **deposit in the fund all money he the county treasurer receives under section 6 of this chapter.**

40 **(b) The county treasurer shall establish an account of the fund into which the treasurer shall**
41 **deposit all tax revenues received from the imposition of the additional tax rate under section 6(g)**
42 **of this chapter. Money in the account shall be expended to pay:**

43 **(1) debt service on bonds issued by the county to finance facilities described in section**
44 **5(b)(6) of this chapter; or**

45 **(2) interest on obligations entered into by a person with whom the board has entered into**
46 **a contract to assist in financing facilities described in section 5(b)(6) of this chapter.**

47 **(c) Money in the fund shall be expended by the board to develop and promote the convention and**
48 **tourism industry.**

49 SECTION 252. IC 6-9-10-9 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO
50 READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. **(a) A county described in section**

1 of this chapter has been presented a unique opportunity to enter into a public-private partnership to develop conference facilities that will serve to develop and promote the convention and tourism industry in the county.

(b) A county described in section 1 of this chapter is uniquely positioned to develop and promote its convention and tourism industry due to its geographic location as a gateway to the state and the presence of at least two (2) national highways traversing its boundaries.

SECTION 253. IC 6-9-10-10 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 10. With respect to:**

(1) bonds, leases, or other obligations for which the county has pledged tax revenues under section 5 of this chapter; or

(2) bonds issued by a lessor that are payable from lease rentals;
the general assembly covenants with the county, the purchasers or owners of the bonds or other obligations described in subdivision (1), and the owners of bonds described in subdivision (2) that this chapter will not be repealed or amended in any manner that will adversely affect the imposition or collection of the tax imposed under this chapter if the principal of any bonds, the interest on any bonds, or the lease rentals due under any lease remain unpaid.

SECTION 254. IC 6-3.5-7-5, AS AMENDED BY P.L.192-2002(ss), SECTION 121, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: **Sec. 5. (a)** Except as provided in subsection (c), the county economic development income tax may be imposed on the adjusted gross income of county taxpayers. The entity that may impose the tax is:

(1) the county income tax council (as defined in IC 6-3.5-6-1) if the county option income tax is in effect on January 1 of the year the county economic development income tax is imposed;

(2) the county council if the county adjusted gross income tax is in effect on January 1 of the year the county economic development tax is imposed; or

(3) the county income tax council or the county council, whichever acts first, for a county not covered by subdivision (1) or (2).

To impose the county economic development income tax, a county income tax council shall use the procedures set forth in IC 6-3.5-6 concerning the imposition of the county option income tax.

(b) Except as provided in subsections (c), (g), (k), ~~and~~ (p), **and (r)** the county economic development income tax may be imposed at a rate of:

(1) one-tenth percent (0.1%);

(2) two-tenths percent (0.2%);

(3) twenty-five hundredths percent (0.25%);

(4) three-tenths percent (0.3%);

(5) thirty-five hundredths percent (0.35%);

(6) four-tenths percent (0.4%);

(7) forty-five hundredths percent (0.45%); or

(8) five-tenths percent (0.5%);

on the adjusted gross income of county taxpayers.

(c) Except as provided in subsection (h), (i), (j), (k), (l), (m), (n), (o), or (p), the county economic development income tax rate plus the county adjusted gross income tax rate, if any, that are in effect on January 1 of a year may not exceed one and twenty-five hundredths percent (1.25%). Except as provided in subsection (g) or (p), the county economic development tax rate plus the county option income tax rate, if any, that are in effect on January 1 of a year may not exceed one percent (1%).

(d) To impose, increase, decrease, or rescind the county economic development income tax, the appropriate body must, after January 1 but before April 1 of a year, adopt an ordinance. The ordinance to impose the tax must substantially state the following:

"The _____ County _____ imposes the county economic development income tax on the county taxpayers of _____ County. The county economic development income tax is imposed at a rate of _____ percent (____%) on the county taxpayers of the county. This tax takes effect July

1 of this year."

(e) Any ordinance adopted under this chapter takes effect July 1 of the year the ordinance is adopted.

(f) The auditor of a county shall record all votes taken on ordinances presented for a vote under the authority of this chapter and shall, not more than ten (10) days after the vote, send a certified copy of the results to the commissioner of the department by certified mail.

(g) This subsection applies to a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000). Except as provided in subsection (p), in addition to the rates permitted by subsection (b), the:

(1) county economic development income tax may be imposed at a rate of:

(A) fifteen-hundredths percent (0.15%);

(B) two-tenths percent (0.2%); or

(C) twenty-five hundredths percent (0.25%); and

(2) county economic development income tax rate plus the county option income tax rate that are in effect on January 1 of a year may equal up to one and twenty-five hundredths percent (1.25%); if the county income tax council makes a determination to impose rates under this subsection and section 22 of this chapter.

(h) For a county having a population of more than forty-one thousand (41,000) but less than forty-three thousand (43,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and thirty-five hundredths percent (1.35%) if the county has imposed the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) under IC 6-3.5-1.1-2.5.

(i) For a county having a population of more than thirteen thousand five hundred (13,500) but less than fourteen thousand (14,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and fifty-five hundredths percent (1.55%).

(j) For a county having a population of more than seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%).

(k) This subsection applies to a county having a population of more than twenty-seven thousand four hundred (27,400) but less than twenty-seven thousand five hundred (27,500). Except as provided in subsection (p), in addition to the rates permitted under subsection (b):

(1) the county economic development income tax may be imposed at a rate of twenty-five hundredths percent (0.25%); and

(2) the sum of the county economic development income tax rate and the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%);

if the county council makes a determination to impose rates under this subsection and section 22.5 of this chapter.

(l) For a county having a population of more than twenty-nine thousand (29,000) but less than thirty thousand (30,000), except as provided in subsection (p), the county economic development income tax rate plus the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and five-tenths percent (1.5%).

(m) For:

(1) a county having a population of more than one hundred eighty-two thousand seven hundred ninety (182,790) but less than two hundred thousand (200,000); or

(2) a county having a population of more than forty-five thousand (45,000) but less than forty-five thousand nine hundred (45,900);

except as provided in subsection (p), the county economic development income tax rate plus the

1 county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one and
2 five-tenths percent (1.5%).

3 (n) For a county having a population of more than six thousand (6,000) but less than eight thousand
4 (8,000), except as provided in subsection (p), the county economic development income tax rate plus
5 the county adjusted gross income tax rate that are in effect on January 1 of a year may not exceed one
6 and five-tenths percent (1.5%).

7 (o) This subsection applies to a county having a population of more than thirty-nine thousand
8 (39,000) but less than thirty-nine thousand six hundred (39,600). Except as provided in subsection (p),
9 in addition to the rates permitted under subsection (b):

10 (1) the county economic development income tax may be imposed at a rate of twenty-five
11 hundredths percent (0.25%); and

12 (2) the sum of the county economic development income tax rate and:

13 (A) the county adjusted gross income tax rate that are in effect on January 1 of a year may not
14 exceed one and five-tenths percent (1.5%); or

15 (B) the county option income tax rate that are in effect on January 1 of a year may not exceed
16 one and twenty-five hundredths percent (1.25%);

17 if the county council makes a determination to impose rates under this subsection and section 24 of
18 this chapter.

19 (p) In addition:

20 (1) the county economic development income tax may be imposed at a rate that exceeds by not
21 more than twenty-five hundredths percent (0.25%) the maximum rate that would otherwise apply
22 under this section; and

23 (2) the:

24 (A) county economic development income tax; and

25 (B) county option income tax or county adjusted gross income tax;

26 may be imposed at combined rates that exceed by not more than twenty-five hundredths percent
27 (0.25%) the maximum combined rates that would otherwise apply under this section.

28 However, the additional rate imposed under this subsection may not exceed the amount necessary to
29 mitigate the increased ad valorem property taxes on homesteads (as defined in IC 6-1.1-20.9-1)
30 resulting from the deduction of the assessed value of inventory in the county under IC 6-1.1-12-41 or
31 IC 6-1.1-12-42.

32 (q) If the county economic development income tax is imposed as authorized under subsection (p)
33 at a rate that exceeds the maximum rate that would otherwise apply under this section, the certified
34 distribution must be used for the purpose provided in section 25(e) or 26 of this chapter to the extent
35 that the certified distribution results from the difference between:

36 (1) the actual county economic development tax rate; and

37 (2) the maximum rate that would otherwise apply under this section.

38 **(r) This subsection applies only to a county described in section 27 of this chapter. Except as**
39 **provided in subsection (p), in addition to the rates permitted by subsection (b), the:**

40 **(1) county economic development income tax may be imposed at a rate of twenty-five**
41 **hundredths percent (0.25%); and**

42 **(2) county economic development income tax rate plus the county option income tax rate**
43 **that are in effect on January 1 of a year may equal up to one and twenty-five hundredths**
44 **percent (1.25%);**

45 **if the county council makes a determination to impose rates under this subsection and section**
46 **27 of this chapter.**

47 SECTION 255. IC 6-3.5-7-12, AS AMENDED BY P.L.192-2002(ss), SECTION 122, IS
48 AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 12. (a) Except as provided
49 in sections 23, 25, ~~and~~ 26, ~~and~~ 27 of this chapter, the county auditor shall distribute in the manner
50 specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and sections 15 and 25 of this chapter, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

(1) The amount of the certified distribution for that month; multiplied by

(2) A fraction. The numerator of the fraction equals the sum of the following:

45 TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 25.1. (a) In addition to other
46 methods of raising money for property acquisition or redevelopment in a blighted area, and in
47 anticipation of the special tax to be levied under section 27 of this chapter, the taxes allocated under
48 section 39 of this chapter, or other revenues of the district, or any combination of these sources, the
49 redevelopment commission may, by resolution **and subject to subsection (p)**, issue the bonds of the
50 special taxing district in the name of the unit. The amount of the bonds may not exceed the total, as

1 estimated by the commission, of all expenses reasonably incurred in connection with the acquisition
2 and redevelopment of the property, including:

- 3 (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;
- 4 (2) all reasonable and necessary architectural, engineering, legal, financing, accounting,
5 advertising, bond discount, and supervisory expenses related to the acquisition and
6 redevelopment of the property or the issuance of bonds;
- 7 (3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the
8 extent the redevelopment commission determines that a reserve is reasonably required; and
- 9 (4) expenses that the redevelopment commission is required or permitted to pay under
10 IC 8-23-17.

11 (b) If the redevelopment commission plans to acquire different parcels of land or let different
12 contracts for redevelopment work at approximately the same time, whether under one (1) or more
13 resolutions, the commission may provide for the total cost in one (1) issue of bonds.

14 (c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the
15 requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds
16 must state:

- 17 (1) the denominations of the bonds;
- 18 (2) the place or places at which the bonds are payable; and
- 19 (3) the term of the bonds, which may not exceed fifty (50) years.

20 The resolution may also state that the bonds are redeemable before maturity with or without a
21 premium, as determined by the redevelopment commission.

22 (d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to
23 the municipal or county fiscal officer, who shall then prepare the bonds, **subject to subsection (p)**.
24 The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the
25 bonds.

26 (e) The bonds must be executed by the appropriate officer of the unit, and attested by the municipal
27 or county fiscal officer.

28 (f) The bonds are exempt from taxation for all purposes.

29 (g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication
30 in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall
31 sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%)
32 of their par value. However, bonds payable solely or in part from tax proceeds allocated under section
33 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

34 (h) Except as provided in subsection (i), a redevelopment commission may not issue the bonds
35 when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the
36 adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

37 (i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district.
38 The bonds and interest are payable, as set forth in the bond resolution of the redevelopment
39 commission:

- 40 (1) from a special tax levied upon all of the property in the taxing district, as provided by section
41 27 of this chapter;
- 42 (2) from the tax proceeds allocated under section 39(b)(2) of this chapter;
- 43 (3) from other revenues available to the redevelopment commission; or
- 44 (4) from a combination of the methods stated in subdivisions (1) through (3).

45 If the bonds are payable solely from the tax proceeds allocated under section 39(b)(2) of this chapter,
46 other revenues of the redevelopment commission, or any combination of these sources, they may be
47 issued in any amount without limitation.

48 (j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period
49 not to exceed five (5) years from the date of issuance.

50 (k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a

1 hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard
2 on the proposed appropriation, and the approval of the appropriation by the department of local
3 government finance apply to all bonds issued under this chapter that are payable from the special
4 benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of
5 this chapter.

6 (l) All laws relating to the filing of petitions requesting the issuance of bonds and the right of
7 taxpayers to remonstrate against the issuance of bonds apply to bonds issued under this chapter, except
8 for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other
9 revenues of the redevelopment commission, or any combination of these sources.

10 (m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may
11 be used to pay principal and interest on the bonds as provided in the bond resolution.

12 (n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which
13 the debt service reserve was established have matured shall be deposited in the allocation fund
14 established under section 39(b)(2) of this chapter.

15 (o) If bonds are issued under this chapter that are payable solely or in part from revenues to the
16 redevelopment commission from a project or projects, the redevelopment commission may adopt a
17 resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds.
18 The resolution or trust indenture may pledge or assign the revenues from the project or projects, but
19 may not convey or mortgage any project or parts of a project. The resolution or trust indenture may
20 also contain any provisions for protecting and enforcing the rights and remedies of the bond owners
21 as may be reasonable and proper and not in violation of law, including covenants setting forth the
22 duties of the redevelopment commission. The redevelopment commission may establish fees and
23 charges for the use of any project and covenant with the owners of any bonds to set those fees and
24 charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued
25 by the redevelopment commission that are payable solely from revenues of the commission shall
26 contain a statement to that effect in the form of bond.

27 **(p) If the total principal amount of bonds authorized by a resolution of the redevelopment**
28 **commission is equal to or greater than three million dollars (\$3,000,000), the bonds may not be**
29 **issued without the approval, by resolution, of the legislative body of the unit.**

40 **submitted with the recommendation under subsection (a).**

41 **(c) Whenever the roundtable provides a recommendation under subsection (a) and the fiscal**
42 **impact prepared under subsection (b) indicates that the impact of the recommendation will be**
43 **at least five hundred thousand dollars (\$500,000), the roundtable shall submit a copy of the**
44 **recommendation and the fiscal impact prepared under subsection (b) to the legislative services**
45 **agency for review. Not more than forty-five (45) days after receiving a copy of the**
46 **recommendation and fiscal analysis, the legislative services agency shall prepare a fiscal analysis**
47 **concerning the effect that compliance with the recommendation will have on:**

- 48 (1) the state; and
49 (2) political subdivisions and private schools affected by the proposed recommendation.

50 **The fiscal analysis must contain an estimate of the direct fiscal impact of the recommendation**

1 and a determination concerning the extent to which the recommendation creates an unfunded
2 mandate on the state, a political subdivision, or a private school affected by the proposed
3 recommendation. The fiscal analysis is a public document. The legislative services agency shall
4 make the fiscal analysis available to interested parties upon request. The roundtable shall
5 provide the legislative services agency with the information necessary to prepare the fiscal
6 analysis. The legislative services agency may also receive and consider applicable information
7 from the entities affected by the recommendation in preparation of the fiscal analysis. The
8 legislative services agency shall provide copies of its fiscal analysis to each of the persons
9 described in subsection (a).

25 (2%); or

26 (2) the average annualized unemployment rate in the immediately preceding calendar year
27 was at least double the statewide average annualized unemployment rate for the same
28 period;

29 as determined by the department of workforce development and published in the report
30 required by IC 4-4-31-1.

31 SECTION 274. IC 4-4-31 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO
32 READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]:

33 **Chapter 31. Funding of Industrial Development Projects in Distressed Counties**

34 Sec. 1. After June 30 and before July 15 of each year, the department of workforce
35 development shall provide the authority with a list of the counties that qualify as distressed areas
36 as of the date of the report. A copy of the list also shall be distributed to the department of
37 commerce for use under IC 4-4-20.

38 Sec. 2. (a) The authority may adopt a resolution designating an industrial development
39 project as a tax allocation project if the industrial development project is located in an area that
40 is designated in the latest report issued under section 1 of this chapter as a distressed area. The
41 authority shall designate in the resolution the boundaries of the tax allocation project area. The
42 resolution designating a tax allocation project must provide for:

50 obligations described in subdivision (2).

1 (b) A resolution adopted under this section may not apply to an industrial development
2 project that will result in the loss of employment in any part of Indiana.

3 (c) The authority shall incorporate the resolution adopted under this section into the financing
4 agreement entered into between the developer of the industrial development project and the
5 authority.

6 Sec. 3. Subject to the approval of the budget agency under section 4 of this chapter, a
7 resolution adopted under section 2 of this chapter authorizes the allocation of the following
8 covered taxes (in excess of the base allocation amount and not exceeding an amount that will
9 result in an allocation in the county from all industrial development projects in the county of not
10 more than five hundred thousand dollars (\$500,000)) to the industrial development project area
11 fund for an industrial development project:

12 (1) Covered taxes incurred by a developer as a consequence of the development of the
13 industrial development project, including gross retail taxes collectible by a retail merchant
14 on goods or services provided to the developer for the industrial development project.

15 (2) Covered taxes that:

20 collectible by a retail merchant on goods or services provided to the individual or entity.

25 or operations in;

26 facilities developed through an industrial development project.

27 (4) Four percent (4%) of covered taxes on wages or other compensation earned by persons
28 employed or providing services at facilities financed through an industrial development
29 project, including services related to the construction, reconstruction, improvement, or
30 repair of the facilities.

31 The power to allocate money under this section expires not later than two (2) years after the
32 beginning date specified by the authority.

33 Sec. 4. (a) The authority shall provide the department of state revenue, the auditor of state,
34 and the budget agency with a copy of any resolution adopted under section 2 of this chapter and

37 budget agency. The budget agency shall notify the authority, the department of state revenue,
38 and the auditor of state of its decision concerning the resolution.

39 (c) Upon receipt of notification that the budget agency has approved the resolution:

40 (1) the auditor of state shall establish an industrial development project area fund for the
41 industrial development project;

42 (2) the department of state revenue shall compute the base allocation amount for the

2 allocation amount is equal to the amount of covered taxes deposited from taxable events
3 occurring, or from wages or other compensation earned, in the tax allocation project area in the
4 calendar year immediately preceding the calendar year in which the resolution is adopted under
5 section 2 of this chapter.

6 Sec. 6. An industrial development project area fund established under section 4 of this chapter
7 shall be treated as a trust fund. Money in an industrial development project area fund is
8 annually appropriated for purposes of the industrial development project for which it was
9 created and may be used only for the purposes specified in the resolution and financing
10 agreement for the industrial development project. Money in the industrial development project
11 area fund at the end of a state fiscal year does not revert to the state general fund. However,
12 unencumbered money remaining in an industrial development project area fund upon payment
13 of all obligations for which the fund was created reverts to the state general fund.

14 Sec. 7. The department of state revenue may adopt rules under IC 4-22-2 and prescribe forms
15 to carry out its responsibilities under this chapter, including the establishment of requirements
16 concerning the filing of informational returns necessary to identify tax receipts that are to be
17 deposited in an industrial development project area fund.

18 Sec. 8. This chapter expires July 1, 2005.
